

# Stephen James BMW - Woolwich

Artist Impression

## **The Brief**

The Client is expanding its business, and we were invited to tender for the data infrastructure within its new showroom and workshops incorporating Data, CCTV, Wi-Fi and Access Controls.

## **The Proposal**

Working closely with the client we will be providing a Cat6 LSOH solution using Quantum cable offering 25year warranty.

## **The Installation**

Due to commence First Fix January 2017 with a view to completion by End of March 2017.
